

LOAN MODIFICATION AGREEMENT

Parties

Lender: _____

Borrower: _____

Original Loan

This Loan Modification Agreement (this "Agreement") amends the loan described below (the "Original Loan"). Except as expressly modified by this Agreement, all terms of the Original Loan remain in full force and effect.

Date of Original Loan Document: ____ / ____ / ____

Original Principal Amount: _____

Outstanding Balance as of This Agreement: _____

Reason for Modification

The parties are entering into this Agreement for the reason described below, and agree that the modified terms set out here replace the corresponding terms of the Original Loan as of the effective date of this Agreement.

Reason for Modification: _____

Effective Date of This Agreement: ____ / ____ / ____

Modified Interest Rate

As of the effective date above, the annual interest rate on the outstanding balance is changed to the rate stated below, replacing the interest rate stated in the Original Loan.

New Annual Interest Rate: _____

Modified Maturity Date and Term

The maturity date of the Original Loan is changed to the date below. Any extension of the repayment period is intended to give the Borrower additional time to repay and does not, by itself, forgive any portion of the outstanding balance.

New Maturity Date: ____ / ____ / ____

Revised Payment Schedule

The Borrower will repay the outstanding balance, as modified, according to the schedule described below.

New Payment Amount: _____

New Payment Frequency: _____

First Payment Due Under This Schedule: ____ / ____ / ____

No Novation

This Agreement modifies, but does not replace or extinguish, the Original Loan. The Borrower's obligation to repay the outstanding balance, as modified here, continues without interruption, and any security or guaranty given for the Original Loan continues to secure the loan as modified unless the parties state otherwise in writing.

Governing Law

This Agreement shall be governed by the laws of the State/Country of _____, without regard to its conflict-of-law principles. This is a starting draft, not legal or tax advice — loan modifications can affect lien priority and tax treatment, so review with a professional before signing.
