

MULTI-PARTY NON-DISCLOSURE AGREEMENT

Parties

This Agreement is entered into by the following parties (each a "Party" and collectively the "Parties"). Additional parties may be added to this Agreement by signing a counterpart or a joinder page listing their name below; once added, an additional party is bound by, and entitled to the protections of, this Agreement to the same extent as the Parties named here.

Party A: _____

Party B: _____

Additional Party (if any): _____

Purpose

The Parties intend to share confidential information with one another in connection with the following matter (the "Purpose"):

Description of Purpose: _____

Confidential Information

"Confidential Information" means any business, technical, financial, or other information disclosed by one Party (the "Disclosing Party") to any other Party (the "Receiving Party") in connection with the Purpose, whether disclosed orally, in writing, or in any other form, and whether or not marked as confidential.

Mutual Obligations

Each Party agrees that, when acting as a Receiving Party, it will keep the Confidential Information of any other Party confidential, use it only for the Purpose, and not disclose it to anyone outside the Parties without the Disclosing Party's prior written consent. These obligations run between each pair of Parties individually — every Party owes confidentiality duties directly to every other Party, not only to a single lead company.

Exclusions

Confidential Information does not include information that is or becomes publicly available through no fault of the Receiving Party, was already lawfully known to the Receiving Party

before disclosure, is independently developed by the Receiving Party without use of the Confidential Information, or is lawfully received from a third party without restriction.

Access Within Each Party's Organization

Each Receiving Party may share Confidential Information with its own employees, contractors, and advisors who need it for the Purpose, provided they are bound by confidentiality obligations at least as protective as those in this Agreement. Each Party remains responsible for any breach of this Agreement by those it shares information with.

Term

This Agreement is effective as of ____ / ____ / ____ and each Party's confidentiality obligations will continue for _____ after that date, regardless of whether the Parties' discussions or collaboration under the Purpose end sooner.

No License or Commitment

Nothing in this Agreement obligates any Party to enter into any further business relationship with any other Party, and nothing grants any Party rights in another Party's Confidential Information beyond the limited use permitted for the Purpose.

Remedies

Each Party acknowledges that unauthorized disclosure of another Party's Confidential Information may cause irreparable harm for which monetary damages alone may not be an adequate remedy, and that the harmed Party may seek injunctive relief in addition to any other remedies available at law.

Governing Law

This Agreement shall be governed by the laws of the State/Country of _____, without regard to its conflict-of-law principles.
