

FOUNDER VESTING AGREEMENT

Parties

Company: _____

Founder: _____

This Founder Vesting Agreement (this "Agreement") applies a vesting schedule to shares already held by, or being issued to, the Founder (the "Shares"), sometimes called reverse vesting, so that the Shares are earned over time rather than fully owned outright from the start.

Shares Subject to Vesting

Number of Shares Subject to This Agreement: _____

Class of Shares: _____

Except as this Agreement provides, the Founder holds full voting and other rights of a shareholder with respect to the Shares, including unvested Shares, but unvested Shares remain subject to the Company's repurchase right described below.

Vesting Schedule and Cliff

Vesting Commencement Date: ____ / ____ / ____

Cliff Period (if any): _____

Vesting Schedule After Cliff: _____

If a cliff period applies, no Shares vest until the cliff period has elapsed, at which point the portion of Shares attributable to that period vests at once, with the remaining Shares vesting according to the schedule stated above.

Acceleration

Any acceleration of vesting upon a sale of the Company, termination without cause, or other event is described below. If the parties do not intend any acceleration, this may be left blank.

Acceleration Terms (if any): _____

Company Repurchase Right

If the Founder's service with the Company ends for any reason before all Shares have vested,

the Company has the right, but not the obligation, to repurchase all unvested Shares at the price stated below, exercisable for the period stated below following the end of service.

Repurchase Price per Unvested Share: _____

Period to Exercise Repurchase Right: _____

Tax Note

Founders receiving shares subject to vesting may wish to consider whether an early tax election (such as a Section 83(b) election in the United States, or an equivalent election elsewhere) is available and time-sensitive. This document is a starting draft, not tax or legal advice, and does not make any election on the Founder's behalf.

Governing Law

This Agreement shall be governed by the laws of the State/Country of _____, without regard to its conflict-of-law principles. Vesting and repurchase arrangements can carry significant tax and securities-law consequences, so have a lawyer or accountant review the final terms before signing.
