

LINE OF CREDIT AGREEMENT

Parties

Lender: _____

Borrower: _____

This Line of Credit Agreement (this "Agreement") sets up a revolving credit arrangement under which the Borrower may draw, repay, and re-draw funds up to the credit limit stated below, rather than receiving a single lump-sum loan.

Credit Limit

Maximum Credit Limit: _____

At no time may the total outstanding principal drawn under this line of credit exceed the Maximum Credit Limit stated above.

Draws

The Borrower may request draws against the available credit from time to time in the manner described below. Each draw reduces the credit then available, and each repayment of principal restores availability by the amount repaid, up to the Maximum Credit Limit.

How Draws May Be Requested: _____

Draw Period End Date (if any): ____ / ____ / ____

Interest on Outstanding Balance

Annual Interest Rate: _____

Interest accrues only on the principal amount actually drawn and outstanding from time to time, not on the full Maximum Credit Limit, calculated on the basis stated above.

Repayment

Minimum Periodic Payment: _____

Payment Frequency: _____

Final Repayment Date for All Amounts Outstanding: ____ / ____ / ____

Fees

Any commitment fee, draw fee, or late-payment fee that applies to this line of credit is described below. If none apply, the parties may leave this blank.

Fees (if any): _____

Default

If the Borrower fails to make a required payment when due, or otherwise breaches this Agreement, the Lender may suspend further draws and may declare the outstanding balance, together with accrued interest, immediately due and payable, subject to any notice or cure period the parties agree to in writing.

Termination

Either party may terminate the availability of further draws under this line of credit by written notice to the other, though termination does not relieve the Borrower of the obligation to repay amounts already drawn, with interest, according to this Agreement.

Governing Law

This Agreement shall be governed by the laws of the State/Country of _____, without regard to its conflict-of-law principles. This is a starting draft, not legal or tax advice — revolving credit arrangements can be subject to lending-license and interest-rate rules that vary by jurisdiction, so review with a lawyer before signing.
