Address: _____

Agent (Attorney-in-Fact): _____

Address: _____

Grant of Authority

The Principal appoints the Agent as their attorney-in-fact, to act in the Principal's name and on the Principal's behalf as described in the Scope of Authority below.

Scope of Authority

The Agent is authorized to act for the Principal in the following matters — for example, financial accounts or real estate transactions — or as a general power covering all lawful acts the Principal could perform personally:

Effective Date

This Power of Attorney takes effect on: ____ / ____ / ____

Durability

A durable power of attorney remains in effect if the Principal becomes incapacitated; a non-durable power of attorney ends at that point.

Is this Power of Attorney durable? (Yes/No): _____

Revocation

The Principal may revoke this Power of Attorney at any time by delivering written notice to the Agent and to any third party relying on it. It also ends automatically upon the Principal's death.

State Requirements — Notarization and Witnessing

Many states require a power of attorney to be notarized, witnessed, or both before it is legally valid and before banks, hospitals, or government agencies will honor it. Requirements vary by state and by the type of authority granted — real estate and healthcare powers often carry stricter rules than a general financial power. Confirm the notarization and witnessing requirements that apply where the Principal lives and where the Agent will use this document, and arrange for notarization and/or witnesses accordingly before relying on it. This document alone, without the signing formalities your state requires, may not be sufficient to grant valid legal authority.

Governing Law

This Power of Attorney shall be governed by the laws of the State/Country of _____, without regard to its conflict-of-law principles.

Dispute Resolution

The parties agree to first attempt to resolve any dispute arising from this Power of Attorney through good-faith negotiation. If unresolved within 30 days, either party may pursue mediation or binding arbitration before resorting to litigation.

Entire Agreement

This Power of Attorney constitutes the entire understanding between the parties regarding its subject matter and supersedes all prior discussions, agreements, or representations, whether written or oral.

Severability

If any provision of this Power of Attorney is found invalid or unenforceable, the remaining provisions shall continue in full force and effect.
